COMMENCEMENT SPEAKER

DOLAN M. WILLIAMS, ESQ.

Law Office of Dolan M. Williams
Concord Law School Graduate, 2015

Dolan M. Williams earned his Juris Doctor (JD) degree from Concord Law School at Purdue University Global in 2015. After earning his law degree, Williams worked for the Law Offices of Young, Minney & Corr, focusing his practice on representing public schools throughout California. In 2017, Williams left the firm to start his own law practice, The Law Office of Dolan M. Williams. He was featured in the *San Diego Downtown News* for his article "4 Steps Toward Planning Your Path to a New, Rewarding Career in the New Year" and in the *Times of San Diego* for his article "Opinion: How to Balance Your Priorities to Pursue a Dream Career," which reflected on his career change journey.

Today, Williams lives with his family in San Diego, California, where he continues his solo law practice in civil litigation, centering mainly on small businesses and their varying needs. He continues to support Purdue Global as an elected member of the Purdue University Alumni Board, and by volunteering his time to assist with prospective student webinars. Williams also served on the Concord Law School Advisory Council for the past 3 years.

In addition to his juris doctor degree from Concord Law School, Williams holds a bachelor's degree in criminal justice from Northern Arizona University, as well as two master's degrees: master's in criminology from Arizona State University and master's in education with a specialization in adult education and training from the University of Phoenix.

OPEN COLLEGE (PROFESSIONAL STUDIES)

Light, Susan***

The awarding of degrees to the candidates' names in this program is contingent upon the satisfactory completion of the appropriate requirements by each candidate, as verified by the Registrar. The listing of a student's name in this program, or participation in the ceremony, does not ensure his or her graduation or the award of honors. This list includes only those who registered to participate in the graduation ceremony by October 16, 2020. Academic honors statuses noted in this program are based on the student's CGPA as of October 16, 2020.

ALUMNI CREED

As an alumnus/alumna, I will support the values of Purdue University Global by being a living example of a lifelong learner. I will use my knowledge to strive for excellence, and will do so with integrity. I will find opportunities to encourage others to unlock their talent through the pursuit of education, and I will proudly share the results of my academic achievements.

THE MACE

The mace was originally a medieval weapon that was carried by bishops of the church into battle as a protective device. After more than 900 years, a ceremonial mace continues to be designed in a shape similar to a club, commemorating its very early use.

In later times, the mace was carried by sergeants-at-arms who were bodyguards of kings and others of high rank. Both Richard I of England and Phillip II of France ordered their sergeant-at-arms to carry a ceremonial mace. Legislative bodies such as the English Parliament also adopted the ceremonial mace as part of the pomp and circumstance associated with opening the meeting of the body.

As universities developed during this same period, they too adopted the mace for use in academic processions. Today, the mace is carried by the Macebearer who leads the platform party, which includes the University Chancellor and other dignitaries, onto the stage for the graduation ceremony.

Throughout history, special craftsmen were presented with the task of decorating the mace so it carefully embodied the history, traditions, and symbols of the academic institution.

Congratulations Graduates
