

Master of

HEALTH CARE ADMINISTRATION

Come Back Stronger with a Valuable Health Care Master's Degree

This is your time. Earn the degree your career deserves and meet the growing demand for leaders in the dynamic and fast-growing health care industry. Purdue Global's master's program equips you with the special knowledge, keen insight, and innovative problem-solving skills to move forward in the shifting landscape of America's health care system. Our curriculum delivers the expertise to oversee and manage the delivery of health care services within the medical field and related sectors.

Why Study at Purdue Global's School of Health Sciences?

Built for Working Adults

Complete courses online, without compromising your work or family schedule.

Backed by the Power of Purdue

Earn a degree you can be proud of — and employers will respect. Achieve more in the health care field with a name that opens doors in your career.

Expert Faculty

Learn from health care and education experts who are practicing professionals in the field. All Health Sciences faculty possess advanced academic degrees.

Career-Focused Curriculum

Prepare to handle complex new developments in technology, economics, ethics, finance, policy, and management.

Practical Experience You Can Count On

Apply what you learn to a real-world issue facing health care management during your final capstone project.

Personal Support

Work directly with faculty through online discussion boards and seminars, and enjoy no-cost individual tutoring. In addition, academic and career advisors are dedicated to helping you balance school with your career and life responsibilities.

An Education That's Proven and Respected

Purdue Global is backed by Purdue University. One of the most prestigious universities in the world, Purdue ranked #16 overall and #1 in education among *Fast Company* magazine's prestigious **World's Most Innovative Companies**.¹

I highly enjoyed my classes and my professors as they made learning fun, insightful, and relevant to the ever-changing health care field. One of my professors, in particular, went above and beyond to teach the subject of the week in an engaging and easy-to-learn way. My goal is to be able to mirror his teachings and apply what I learned at the company that I work for. I'm honored to attend Purdue Global and recommend the University to anyone looking for a challenging online program that is flexible and provides hands-on learning, all in the spirit of growing and learning together."

Erica Fuller
Master of Health Care Administration Graduate²

“Today's health care leaders need to be prepared to operate in an ever-changing dynamic environment. Purdue Global's MHCA program is innovative and evidence-based, preparing our students with a framework for success.”

Todd Kane
EdD, MBA, MEd, MSIT, Faculty²

The Master of Health Care Administration program at Purdue Global has achieved candidacy status from the Commission on Accreditation of Healthcare Management Education (CAHME). The achievement of candidacy status demonstrates that the School of Health Sciences is committed to meeting the rigorous standards established by CAHME and continuous quality improvement as part of the accreditation process.

Career and Networking Opportunities

Industry Outlook

- According to the Bureau of Labor Statistics, employment of **medical and health services managers** is projected to grow 28% from 2022 to 2032, much faster than the average for all occupations.³
- Health care occupations are projected to add more jobs than any other occupational groups, **with 1.8 million new jobs** expected by 2032. This growth will be fueled mainly by growth and replacement needs.⁴
