Total Credits Required to Earn Bachelor of Science in Health Science	180	90	90

¹ CCAF associate's degree completion waives the identified 5-quarter-credit PG degree requirements.

² The total value of the waived requirements (30 quarter credits) is added to the elective pool for fulfillment.

NOTES:

Purdue Global utilizes a quarter credit system. 60 semester credits is equivalent to 90 quarter credits.

Related Purdue Global degree programs include: Bachelor of Science in Health Care Administration, Bachelor of Science in Health Education and Promotion, Bachelor of Science in Health Information Management, Bachelor of Science in Health and Wellness, and Bachelor of Science in Nutrition.

This worksheet does not constitute an official evaluation of a student's prior learning. All students who possess prior learning are encouraged to submit evidence of such and apply for credit evaluations. The University may award credit for various forms of prior learning including courses taken at other institutions, experiential learning, military credit, and others. All prior learning is reviewed on a case-by-case basis, and credit is awarded ultimately at the discretion of the University. To be considered official, transcripts and exam scores should be sent to the
